represented by Univ.-Prof. Dipl.-Ing. Dr. Thomas Prohaska, Vicerector Studies and International Affairs

and

## **Dnipro University of Technology (Dnipro Tech)**

av. Dmytra Yavornytskoho, 19, 49005 Dnipro (Ukraine) represented by Rector Prof. Oleksandr Aziukovskyi

- 1. **Montanuniversität Leoben** and **Dnipro University of Technology** wish to collaborate in order to further the internationalization of both parties and to benefit their research, development and teaching activities.
- The purpose of this Memorandum of Understanding (MoU) is to establish a framework within which co-operation may be developed between the two parties. This will occur within the context of the regulations and policies of each party, and is subject to the availability of resources.
- 3. Cooperation between the two parties may include activities such as:
  - Enhancement of the education process by facilitating mobility of the academic and research staff and students
  - Exchange of MSc and BSc students
  - Development of joint study programs
  - Exchange of experience in the fields of education and science and research
  - Joint research and development activities, including seminars, conferences and other meetings on topics that will be of interest to both the signatories
  - Development of joint international projects
- 4. Specific programs or activities within the meaning of point 3 will be undertaken under this MoU only after the written agreement of both parties.
- 5. The expenses arising from all activities will be subject to further agreements between the parties in accordance with regulations of the individual parties. If no specific regulation exists, each university must cover its incurring costs itself.
- 6. Each party shall designate a person or office to serve as liaison for implementing this MoU. All notices shall be in writing and shall be directed to these individuals as follows:

- 7. Any additions or changes of this MoU must be approved by the persons according to point 6 and signed by the legally authorized representatives of both universities.
- 8. This MoU shall become effective once it has been signed by both parties and shall continue until terminated by either party by written notice to the other party at least six months in advance of the stated termination date. In the event of serious breaches of this MoU, it can be terminated without observing a cancellation period.
- 9. The termination of this MoU shall not affect the validity of any written agreements based on it.
- 10. This MoU places no financial or legal obligations on either of the parties, nor does it create any legal relationship between them.

- 11. Should a provision of this MoU be or become void or ineffective, the remaining provisions shall remain unaffected. The invalid or ineffective provision shall be replaced by a provision that comes closest to the purpose of the contract and the interests of both universities.
- 12. There are no collateral agreements to this MoU. All amendments to this MoU must be made in writing and signed by both universities.
- 13. If an acceptable resolution concerning its conclusion, invalidity, nullity or termination, as well as in connection with this contract cannot be reached within a reasonable period, the parties agree that any claim or dispute shall be governed by the laws of the land and subject to the jurisdiction of the courts where the defendant has its official seat.
- 14. The MoU is written in two identical English originals, with one being provided to each university.
