

**Memorandum  
of cooperation  
between Dnipro University of Technology  
and company NOAC Ltd**

*Dnipro, Ukraine*

*Sofia, Republic Bulgaria*

Dnipro University of Technology, represented by Rector Oleksandr Aziukovskyi, and NOAC Ltd., represented by Director Stiliyan Stankov, have signed this Memorandum to develop mutually beneficial cooperation between the PARTIES.

Based on partnership, equality, and mutual interest, the PARTIES agree to develop the following forms of cooperation:

- conducting joint basic and applied research in the fields of innovative technologies, development of complex products, modeling of production processes, and related areas;
- exchanging scientific and technical information and jointly publishing the results of research in professional journals in Ukraine or the Republic of Bulgaria;
- joint participation in international scientific conferences to present the results of collaborative research;
- exchange of specialists and researchers in accordance with the legal procedures of the relevant institutions in Ukraine or the Republic of Bulgaria;
- establishing and expanding contacts with industry organizations, enterprises, research institutes, higher education institutions, and industrial enterprises in Ukraine and the Republic of Bulgaria to promote scientific products, new technologies, and services in domestic and international markets;
- independently and/or jointly seeking various sources of funding for joint projects, research, and development.

Cooperation may be extended by mutual consent to other activities not specified in this Memorandum.
