

Memorandum of Understanding

Between
TECHNISCHE HOCHSCHULE GEORG AGRICOLA, BOCHUM, GERMANY
And
DNIPRO UNIVERSITY OF TECHNOLOGY, DNIPRO CITY, UKRAINE

This document is to confirm the foundation of a co-operation between the Technische Hochschule Georg Agricola, Bochum, Germany and the Dnipro University of Technology, Dnipro, Ukraine. The collaboration between the two universities is aimed at developing, promoting and strengthening mutual cultural relations, scientific research and the mobility of students and lecturers.

The two universities agree on the following items:

I (Aims)

The parties herewith agree to join their efforts regarding the realization of:

- a- sharing seminars and courses with academic degrees, program for professional certified qualification,
- b- exchanging of academic and teaching staff (Prof., Doz., Dr., Researchers) of both parties.
- c- exchanging of graduate and postgraduate students for projects, bachelor and master thesis or in guest students status,
- d- execution of common traineeships, seminars, conferences and workshops
- e- preparation and execution of research projects in the context of programs which are financed by organizations and/or enterprises.

II (Coordinator)

Each party will appoint one coordinator to organise conditions of collaboration who will also be responsible for the implementation.

These two coordinators should be appointed as soon as possible.

III (Cooperation areas)

The fields and departments (course of studies, major subjects) to have collaborative studies as agreed by both parties are as follows

Geo - Resources and Processing

Mechanical Engineering and Material Sciences

Electrical/ Information Technology and business administration

IV

(Student Mobility)

- a- The exchange of graduate and postgraduate students shall be carried out with the yearly numbers agreed by both parties.
- b- In any case it shall be tried to get supported by national and/or international organizations and companies.
- c- Students participating in the exchange will be exempted from any regular tuition fees at the host institution.
- c-
- d- Each party agrees to help the visiting students to obtain suitable accommodation. Both parties try to find additional donor to cover the travel expenses, costs of accommodation and living expenses.

V

(Teaching and academic staff mobility)

- a- The exchange of academic and teaching staff, researchers and experts shall be carried out in conformity with the yearly number agreed by both parties.
- b- In any case it shall be tried to get supported by national and/or international organizations and companies.
- c- The travel expenses shall be covered by the visiting teaching and academic staff or donor funds.
- d- Each party agrees to help the visiting academic staff to find suitable accommodation. Both parties try to find additional donor to cover the costs of accommodation and living expenses.

VI

(Insurance)

Every person is responsible for taking out their own insurance for illness, accident, permanent disability and death. This also applies to all follow up costs such as home transportation, etc.

VII

(Coming into effect, Ending)

This agreement will come into effect with the date of the signature by the two university leaders and will last for two years period. The contract automatically extends year by year without any special notification. Each party shall have the right to cancel this agreement any time giving at least 30 days notice.

VIII

(Language)

This agreement is documented and written in the English language in two copies (one for every party) that have same legal validity.
